**Lead Instructor: Coach Walker Damage**

Coach Walker Damage has played competitive baseball and competitive men's softball for a combined 20 years. For the past three years, he has been coaching softball for the City of Fort Collins Summer Softball Leagues. This has included coaching elementary, junior high school and early high school teams. This year he also was the lead instructor for the softball coaches' training sessions run by the City.

**Assistant Instructor: Coach Gerry Damage**

Coach Gerry Damage has played competitive baseball through high school and competitive men's softball as an adult. His coaching experience includes two seasons of boys baseball (including a championship season), and two seasons of girls softball in Thornton, CO, and several seasons of mens competitive softball in Iowa.
